Date of decision: 30/06/97

ORAL JUDGEMENT

The Unit engaged in the manufacture of C.P.C.
Green has requested the Court to grant permission for
commercial production.

It is submitted by the learned Advocate Mr. Gandhi appearing for the Unit that NEERI has visited the Unit and that as per the suggestion made by NEERI, Multiple Effective Evaporator has been installed. The Unit is a zero discharge Unit except washings. It is submitted on behalf of the Unit that there are no adverse reports against the Unit except TDS. The Unit is also a member of the Association known as the Vatva Industries Association. The President of the Association who is present in Court has also stated that there are no complaints against this Unit. Mr. Trivedi, learned Advocate appearing for the GPCB pointed out that the Unit is meeting with all the norms except that of TDS and percent Sodium. No doubt CETP has not yet commenced its activities of treating the effluent but that should not come in the way of this Unit as it is a zero discharge Unit except for washings. It is submitted that in view of the report submitted by ATIRA, L.D.Engineering College and GPCB, the Unit should be permitted to manufacture on commercial basis as since long the Unit is meeting with the norms except TDS and percent Sodium.

In view of what is stated above, we grant permission to manufacture on commercial basis. Proforma for contribution details is supplied by the Unit, however, some factual statements are required to be added in the same. The same shall be added by the learned Advocate and four copies of proforma shall be filed by this evening. With the aforesaid directions, we dispose of this matter. We also direct the GPCB to file inspection report of this Unit on 28th July, 1997 indicating the performance of the Unit. As per the duty cast on the Officers of the GPCB they shall monitor this unit, more particularly, as the Unit is engaged in the manufacture of C.P.C. Green and the moment there is adversery report, the GPCB should draw the attention of the Court.

Notice is discharged.
